President City Municipal Council,

MYSORE

No 285 TO,
18 JUNE 1934 The Chief Secretary to the Government

of His Highness the Maharaja of Mysore,

Bangalore

Sir,

In submitting herewith, a statement showing the amounts of water charges due to the Municipality from several departments of Government detailed therein, I have the honour to state that ~~excluding~~ exclusive of Mohatarfa tax and other dues, a sum of Rs 19,345-1-0 is due from Government Departments towards water charges alone The arrears in some of these cases date from 1927-28, as can be seen in the statement

According to the budget of the Municipality for the current year, a sum of Rs 94,376/- has been provided for, towards the Municipal quota of water supply amd maintenance charges payable to Government Of this, we have so far made payments to the extent of Rs 73,395-1-0 during the current year The balance payable according to the budget programme is only Rs 20,980-15-0 The Council could have easily kept up to the budget programme and paid the balance due to Government if only the Departments of Government had promptly paid the arrears due to the Municipality

Since these sums (which have been earmarked to be paid towards the Municipal quota of water supply maintenance charges) have not been paid though overdue, the Council finds it impossible to make any further payment to Government on this account during the current y ar, unless the Departments concerned make it a point to pay the Municipality well in time before the close of this month

In these circumstances, I request the favour of orders being kindly issued to the Departments concerned, for the settlement of the dues before the close of this month, to enable the Council to keep to the

Budget Programme by paying the balance to Government

I have the honour to be,

Sir,

Your most obedient servant,

President
